Ink'd Solutions

Custom Message - users can type a custom message on their greeting card having a personalized experience!

Greeting Cards only \$2.99 - our greeting cards are cost-conscious to fits the needs of all consumers.

Order online or in store! - users can order in person at a tablet, or online to ship directly or pick it up at a tablet.

1000+ Designs & easy filtering - our software holds unlimited designs with easy filtering to find your card.

Fun and Interactive! - Our tablet allows for an interactive experience bringing some fun to card shopping!

Print-On-Demand technology - This industry is loved for its tradition, but it is ready for innovation!

Gift Cards printed on the back - our all in one solution of printing gift cards on the back of the greeting card saves almost 50 million pounds of plastic a year!

Greeting Cards & Gift Cards

Retailer Benefits

Omni Channel - We can meet consumers wherever they are, both online and in store.

Space Saving - Our tablet only needs 9sqft to work its magic in stores!

Traffic Driver - In person and online orders will drive local consumers in store to pick up their cards.

Low Maintenance - Payment and gift card loading is done at the tablet. A maintenance team will be provided.
